# EASTER EGG HUNT

Eggsplorers! Donate to Wolo by dropping a pound in the bucket or via the QR code, then keep your eyes peeled for the 16 eggs hidden around the Park. Write the letters you find in the spaces below to spell out the secret phrase. We've given you hints on the map where you might find the eggs. Once complete, head to our Events Arena between 12pm-4pm to collect a mini prize. Good Luck!

### What is Wolo?

Wolo stands for 'we only live once' - the perfect way to describe their ethos - to make the most of each day. Life is a blessing and we need to enjoy it; doing the things we love, with the ones we love.

Husband and wife team, Justin and Fler Wright set up Wolo Foundation after a cancer diagnosis of their own. With three young children to support, they were shocked at what little help there was out there for families like theirs. Knowing they didn't want others to go through it like they did, ignited a little flame inside their hearts - and thats how the idea all began.

### Who do Wolo help?

Wolo Foundation is a registered charity and helps families living in Sussex through their cancer journeys. They support them by offering practical help and support to make their day-to-day lives easier.

They work with other charities, local businesses and communities to offer families a wealth of services to support them through their diagnosis, treatment and beyond.

If you are affected by cancer, or know a family that is, please get in touch so that Wolo can offer their support. The only eligibility criteria is that families live in Sussex, and have a child or children under the age of 16 years at the point of diagnosis.

### How can you help?

Wolo are looking for anyone who can offer a service to a family going through cancer treatment - whether it be therapy, a beauty treatment, childcare, legal service, memory making opportunities, counselling, gardening, decorating, car maintenance or a meal - literally anything! These can all be funded through the charity. Wolo want to build up awareness of what they do, and are continually looking to collaborate with local businesses and charities to help make a difference to the lives of local families going through cancer.

Wolo hold a variety of fundraising events throughout the year, and are always looking for willing participants who want to help raise funds. If your workplace has a 'charity of the year' or corporate sponsorship schemes, please consider Wolo, and help to make a difference to local families on their cancer journeys. If you think you could help, or you would like to organise your own fundraising event, or meet with the co-founders - please get in touch.

To read more about the Wolo story and what they do, please visit their website [www.wolofoundation.org](http://www.wolofoundation.org)

Statistics show that 1 in 2 people in the UK born after 1960 will be diagnosed with cancer in their lifetime. Life is precious - we need to make the most of it - we only live once - Wolo!
